Good Morning!

Please reference this list when it's time for you to sell leftover food items near the end of the day. This usually is done near awards time. (Jodi will generally come and tell you within 30-45 minutes when awards will start for you to do this).

Most are prices that we paid for each item, so please do not sell below cost

Also, at the end of all your food sales, could you please use the far right column to list the quantity of each item that remains unsold. This will help us plan quantities to buy next year.
